Hello Middle School Parents!!

My name is Josi Coleman, and I just stepped into the Middle School Parent position on PACS! I have two middle schoolers, 6th and 8th grade! Middle school is a hard time for our kids, with so many changes, not only in school and learning, but in life overall!! I know you all are going through what I am, and as the liaison in this position, I want to make sure that the information about what is going on, and how you can be involved makes it to all of you! I will be posting on Addenbrookes facebook page (if you're not already following that page, I highly encourage you to do so!) I know our kids sometimes say or act like they don't want us around, but I actually think they still want us involved! It's so easy to still be a part of their world at school, and I am hoping that I can shed some light on how easy and important it is to be a part of their middle school experience, as well as how easy it is to volunteer with some fun opportunities with PACS, without taking too much time away from all the other work you have to do. So, please keep an eye on this newsletter for all the great things happening at Addenbrooke, as well as the facebook page for posts periodically! I love being a part of this great community and look forward to meeting as many of you as possible over the next few years!

Josi Coleman
