

ACA Volunteer Opportunities

Thank you for your interest in volunteering at Addenbrooke! Below is a list of some of the most helpful volunteer opportunities. This includes everything from joining a committee, to planning an event, to helping in your child's classroom, to filing, to bringing in food for the teacher's lounge or even monetary donations. You choose what fits best with your schedule and interests and reach out to the contact person listed below.

Parents of Addenbrooke Classical Academy Students (PACS)

Joining PACS is THE best way to stay in the loop of all events and volunteer needs. While PACS meetings are held during school hours there are plenty of opportunities to volunteer outside of school hours. Even if you can't actively participate in the PACS meetings it's still great to get the information so you don't miss out on important updates. PACS oversees many volunteer opportunities: Homeroom Parents, PACS Snacks, Mustang Mini Marathon, Chili Cookoff, Skate City Events, Winter Workshop, Sock Hop, Staff appreciation week, Senior Breakfast, Fundraising: King Soopers, Amazon Smile, Box Tops, American Furniture Warehouse. Submit your contact information [here](#) and you will receive notifications and volunteer requests.

School Accountability Committee (SAC)

The School Accountability Committee (SAC) is a statutory committee, whose objective is to represent the school community's vision by providing opportunities for parent and community members to be involved in the planning and evaluation of the school's quality improvement processes. SAC executes an annual parent satisfaction survey to determine community needs and concerns, and it makes recommendations to the school's executive director and the principal(s), to be used in the development of the school's Unified Improvement Plan (UIP). Apply [here](#).

Athletics Boosters (ACAABC)

The mission of the Addenbrooke Athletics Booster Club is to promote and support all Mustang student athletes and sports programs. We strive to support through positive parent and community involvement in order to give every student athlete a positive experience in athletics. The ACAABC raises money through different events throughout the year to promote our school spirit, sports programs and senior nights; to contribute to the spirit and enthusiasm of Addenbrooke and the community at large. We seek to create a rich tradition and history of excellence in both academics and athletics at Addenbrooke. Meetings happen once a quarter. They usually take place on the last Tuesday of the month. Booster Club membership is \$100 per year.
