<b><u>Twelfth Grade</u></b>	53%	32%*			67%	33%		
		*Seniors in govt class did not write.						

- The science MCR has traditionally had lower scores because the subject matter is more difficult to write about. Students who do not have a science class because of taking classes at Warren Tech or RRCC also did not write an MCR #3. The last MCR writing of the year begins 4/11 in English.
- The Junior SAT test is next Wednesday, 4/13. Freshmen will take PSAT 9, 4/14 in the a.m, Sophomores will take the PSAT 10, 4/14 in the p.m.

- Spirit Week is April 19-22 culminating with Prom on April 23.
- The Senior Lounge has been well-received and students regularly use it as a study space.
- For the first time in two years, we hosted a Career Day. 14 community members presented their occupations to our student body and a representative from CCU lectured on resumes and interview skills to the upperclassmen.

Updates:

- All seniors have turned in the rough draft of their capstones.
- Concurrent enrollment professors for HIS 112, 121, and MAT 120, 121 have been approved. We will offer six college classes on campus in 22/23 (20 credits)
- Missing Assignment Detention is working. Failing grades have dropped from 55 first semester to 17 currently.
- We have moved Mr. Lewis to a tutor position. Mrs. Christina Rienhoff and Carol Jones are co-teaching all his classes through the rest of the semester. Mrs. Jones is approved to teach MAT 120 and MAT 121 through Red Rocks next year. She will also be teaching the 8th grade Algebra I class.
- Ten students, plus chaperones will leave for the Washington DC trip on 4/25.
- 24 students, plus chaperones, will leave for the National Park Tour on 4/28.
