

THE MUSTANG POST

April 14, 2023

Dear Parents,

SAT and PSAT testing is now complete. MCR #4 is behind us. Graduation is a short 20 school days away, and the time is packed with events. Next Thursday, April 20, there is a K-12 art show in the gym from 5:00-7:30 p.m. Afterward is a high school-only event at Skate City from 8:00-10:00 p.m. The next day, Friday, April 21, we will host a career day in the morning with a variety of special speakers.

Included in this newsletter are forms for the upcoming field trip to Arvada Center. We are all going to see a performance of Thornton Wilder's play "Our Town" on Tuesday, April 25. Permission slips are due at the end of next week. Friday afternoon, April 28, is our first annual Powder Puff game and school social. Also, there is a guest permission form if your student is bringing an outside guest to prom which is Saturday, April 29.

Senior Capstone presentations will be held the week of April 24. A schedule is included in today's newsletter. Senior finals will be May 4 and 5. They will not be at school after that until Thursday, May 11, for the Senior Breakfast, Walk, and Graduation Rehearsal.

The first week of May there is an information night for the parents of next year's seniors. We will meet in the High School Commons at 6:00 p.m. to let you know what to expect and how to schedule for next year. The spring choir and orchestra concert will be Thursday, May 4, from 6:30-8:00 p.m. at Southwest Community Church. Graduation is Friday, May 12, at 7:30 p.m.

Finals for students in grades 9-11 will be May 17 and 18. Exemption letters will go out Tuesday, May 16. There are two other field trips: the Anatomy & Physiology class is going to the Red Rock Cadaver Lab, and the Astronomy Class is going to Fiske Planetarium. Last, here is the link for the 20th Century concert our students performed at the K-8 last month.

Staff Spotlight

Mr. Charlie Rienhoff

Assistant Principal

School Assessment Coordinator

504 Coordinator

Mr. Rienhoff was born and reared in Baltimore, Maryland. He enjoyed boating and other activities on Chesapeake Bay, hunting waterfowl on the Eastern Shore. Charlie earned a Bachelor's Degree in English from Washington College in Chestertown, Maryland, which was the only college George Washington gave his name to.

After graduating, Mr. Rienhoff moved to Denver and worked in finance for a decade. After September 11, 2001, he moved back to the East Coast and through a course of events, found himself pursuing a Master's Degree in Teaching at John Hopkins University. It was there he met his wife, Christina. They married in 2004 and have one son.

Charlie's first teaching job was in inner city Baltimore and after four years, the family moved to Sarasota, Florida, where he taught for 10 years. The family moved back to Baltimore where he taught for another four years before relocating back to Denver in 2021. This is Mr. Rienhoff's second year at Addenbrooke.

The Rienhoff's own a cabin in Granby which is where they spend well-earned down time fishing, hunting, and enjoying the Colorado Mountains.

### **EL MORRO**

*Construction on this Old San Juan fort began all the way back in the 16th century, just 50 years after Columbus arrived in the New World. Overlooking San Juan Bay, the wide open fort has cannonballs, parapets, sentry boxes, tunnels, and staircases to explore. Since the time it was built, the fort has seen more than its fair share of action, having defended itself against everyone from Sir Francis Drake in 1595, to the Dutch, British, and American militaries in the centuries that followed. Today, El Morro is a World Heritage Site maintained by the U.S. National Parks Service.*

Old San Juan

#### Day 1: San Juan
