Health Room Memo: If your student has medication in the health room, we kindly ask that you come in and pick up their medications no later than May 17th. Please keep in mind that the 17th is a half day, so please plan accordingly! State and district policy requires us to dispose of any medication left after the 17th, therefore we cannot guarantee it will still be here after the last day of school. Thank you kindly for your cooperation!

If you are able to donate any of the items in the linked sign-up please do. This will ensure a fun 1st-5th grade field day. Field Day Wish List

It is time to recognize some of our staff who are often in the background, working quietly for the benefit of our students. Sarah Wakefield, Sarah Sawyer, and Nikki Canty-Jones provide much needed services to our students who need them. The “Saras” are outstanding at helping students with speech and/or language deficits. These ladies are true professionals, providing interventions, interacting with teachers, and communicating with parents. Nikki, as our occupational therapist, helps her kiddos be successful in their “job” of being a student. She also provides valuable insight for teachers. These three hard-working ladies provide much-needed services for our students and should be recognized for their efforts.

Volunteer for Elementary Field day on May 10th from 7:30 - 11:00, we really can’t do this without you: Sign Up Genius for Elementary Field Day

Middle school field day is quickly approaching! The fun filled morning is April 26th and we’d love to have you come volunteer! Please click on the provided link to sign up! Please email mhawn@addenbrooke.org with any questions. Volunteer Sign-up for Middle School Field Day
