THIS WILL SAVE EVERYONE TIME

- My apologies that it took longer than I anticipated to get the black and red rectangles. However today, you will be receiving either a black or red rectangle. This should be put in your passenger's side front window during the car line. This will signal your car for Elementary only pick-up or Middle School pick-ups. Remember, we are asking all elementary only pick-ups to come at 3:05 and if you have middle school students please don't arrive prior to 3:15.
- If you are looking for new uniform choices for next year, we have decided to go with a new company, check out the website.
