

# THE MUSTANG POST

April 22, 2022

Dear Parents:

Next week is a busy one. We have a group leaving early Monday morning for Washington, D.C. and another group leaving for the Grand Canyon on Thursday. We wish everyone safe travels and a rich educational experience.

Opera Field Trip- We, as in all of us, are going to attend the student performance of Carmen on Thursday, May 12, followed by an afternoon of activities planned by the student government. Mr. Slife will bring his shaved ice food truck that afternoon. Permission slips were sent home Tuesday but one is also attached. Slips go to Weiss and Madonia for students that have a choir or orchestra class. Anyone else, slips come to me. We bought 125 tickets! Let's fill up the buses!

Gifted and Talented- I noticed questions on the parent survey about the G/T or ALP (Advanced Learning Plan) designation. This designation comes from the district, it is not something generated by Addenbrooke. It begins with CoGat scores in second grade and continues with a student throughout their academic career. Included is a link to Jeffco's website which might answer questions you may have.

<https://www.jeffcopublicschools.org/cms/one.aspx?portalId=627965&pageId=927125>

Senior Families- Mrs. Michelsen has sent out an information letter to cover the end of semester and graduation festivities. If you did not receive it, please let us know.

Respectfully,  
Mrs. Lamgo

Have you ever questioned why there are four stars around the Addenbrooke "A"?

These stars stand for the words Veritas, Utilitas, Sapientia, and Doctrina which are found in our crest. Veritas is Latin for Truth, Utilitas is Latin for Service or Usefulness, Sapientia is Latin for Wisdom, Doctrina is Latin for Instruction.

---

### Calendar of Events:

- **April 22** Juniors - Science CMAS test, Mustang Choral performing at Regis - College Spring Concert, 7pm

	10:20 - 10:40	Sierra Joynt
	10:40 - 11:00	Make-ups
Lunch		

# Grand Slam

## Staff Appreciation Week

May 2-6, 2022

ACA has an incredible staff, and we'd like to show them how amazing they are during staff appreciation week. **At Addenbrooke, we focus on the whole staff, not just the teachers. In this spirit, we shy away from big 'class gifts' and focus on one big staff gift as well as multiple smaller gifts and treats.** Past gifts have included the outdoor classroom area, furniture for the Pk-8 staff lounge, and an industrial coffee maker for the HS Staff. This year, we have been asked to focus on the staff itself, rather than a gift for the buildings. Our BIG GIFT this year is a Rockies Game during their Teacher Appreciation Homestand. Those unable to attend will be given a gift card in the same amount of what a ticket will cost. We cannot do this without your help!

Along with the Rockies game, here is what the rest of their week will look like:

**Lead off Monday:** Grand Slam Breakfast

**Take me out to the Ballgame Tuesday:** **HS staff** will be treated to Slife's Devil Dogs, Brats, Burgers and meatless burgers with all the fixin's.  
**PK-8 staff** will be having a concession stand with popcorn, crackerjacks, and root beer floats served in a special glass.

**Walk-off Wednesday:** reverse of Tuesday. **HS staff** will have a concession stand, while **PK-8 staff** will be treated to Slife's Devil Dogs

**Throw 'em out Thursday** – MVP lunch (Taco Bar)

**Fastball Friday** – Tailgate Party (BBQ and sides)

- We will be gifting the staff with Wordles in the shape of a baseball or a pennant. A Wordle is a group of adjectives used to describe a person. We will be polling the students for these adjectives.
- On Friday, we will be sending the staff home with a bag of goodies that can be used for the game the following week.
- Throughout the week, we will have parent volunteers covering lunch and recess times to give our staff a little break.

We could use your help with donated items, volunteer time, and monetary donations. Here are the QR codes for our Signup Genius and Venmo. There will also be donations boxes for cash or checks at both campuses starting Monday, April 25<sup>th</sup>.

**Checks can be made out to PACS.**
