Friends and Families of Addenbrooke Classical Academy K-8,

This week there was a general sense of tiredness in the building. I am not sure if we are now recouping from Spring Break or if we are just exhausted from the cold, windy weather. But you can tell that the students and teachers are ready for the four day weekend next week.

Students in grades 3-8 completed their Math and English Language Arts CMAS this week. Overall this went very smoothly and there was a sense of relaxation in the building (or tiredness). A huge thank you to Cherie Mazuerk and Rose Auferio for all the extra work they put into making this CMAS testing go so smoothly. Next week, the 5th and 8th grade students will be taking the Science CMAS.

The Middle School Social is today from 3:30-5:00 and costs \$5 per student. The Student Council has decided to have games in the gym, bingo in the commons, and an ice cream sundae bar!

This week our Middle School Girls' Soccer and Flag Football teams had their first games. I think this is one way that students have been really able to get past the isolation from the past two years and move forward.

The All School Art Show is on Thursday, April 21, from 5:00-7:00. It's a K-12 show, so be sure to come enjoy the art and support our students! (See more information below.) The teachers have created a sign up genius so parents can bring treats and help make it special for the kids. The link is: <https://www.signupgenius.com/go/30E084CA4AD2DA6FD0-allschool>

Some Important dates: April 14th is Skate City night, and there is NO SCHOOL on April 15-18!

We had great participation in Dodgeball and the Assembly last Friday. It really was quite amazing to see the kids just having fun and really building community. Tomorrow will be the PACs meeting in the Elementary Commons at 8:00.

The SAC (School Accountability Committee along with the Administration sent out the parent survey prior to break and please take the time to do this if you haven't, your feedback allows us to grow and improve. The link is: <https://forms.gle/Ct3mzbTt4jWP6pMu8>.
