

August 24, 2023

- All class and order shirts will be due by September 11th - order form is below.
- Tonight is Back to School night, details about the schedule are in the Events Calendar below (highlighted in yellow).
- **Tomorrow K-3 students will need to sign up for an assessment time on August 25th.** Students will come for about a 15 minute block of time and take their DIBELS assessments.
- Please ensure that your student wears or brings a pair of **tennis shoes for PE**. This is essential and students that do not have PE appropriate shoes will be required to sit out during PE. We are working to set these habits and help preserve the gym floor. The gym is our most used classroom and we work very hard to take care of this facility.
- Thank you to those of you who are following our traffic and car-line rules. We have gotten a few complaints from the apartment community and the new townhomes. Please be good neighbors and allow them to exit and don't park in their community. Police have been supporting us in ticketing cars that are not parked in proper areas and if we are respectful of their area this will help them support us.
- If students are participating in after-school activities, siblings are not permitted to stay on campus and if their practice is not right after school they must be picked up and brought back for their specific practice times. We do not have supervision for the additional kids who are waiting for their events or waiting while siblings finish their activities.
- Join the Family Hike this weekend at Red Rocks and Morrison Slide Trail at 9:00 and thank you to Maddie Hawn for organizing these hikes!

## **Food For Thought BakPak Program**

Beginning **Friday, September 1st**, (and each Friday thereafter), the **Food For Thought BakPak Program** will distribute sacks filled with food to students **who need food during the weekends**. The **Food For Thought BakPak Program** is a partnership of businesses, faith-based ministries, and the communities of SW Jefferson County who care about hunger needs of students in our schools. This program is designed for families who are struggling financially and may need support to provide adequate food for their children on weekends. The weekend bags consist of food for meals for each participating student. The food will be packed in a plastic grocery bag. It will fit in the child's own backpack or will be easy to carry. The food is distributed at the end of the school day each Friday.

**If you wish for your student(s) to participate in this program, please complete the information below and return to the school attendance secretary Mrs. Shortis as soon as possible.** If participating in this program, your student's name will be shared with Mrs. Shortis, Mrs. Steiner and the BakPak program coordinator for the purpose of labeling the bags.

If you do not need assistance, but are interested in making a monetary or food item donation toward this program, please let Mrs. Shortis know.

If you have any other questions, please contact Mrs. Shortis at 303-989-1336 or email her at [ashortis@addenbrooke.org](mailto:ashortis@addenbrooke.org)
