LOCKHEED MARTIN

- Thank you to all of you who helped make our Valentine's Day celebration special for all of our students this week. It was so great to see all the smiles yesterday.

- Please be sure to keep your student(s) home when they are ill, there has been an increased number of flu cases in Jeffco and we are working very hard to not have to close school if our numbers continue to rise.

- The Addenbrooke School Accountability Committee has asked me to share the parent survey. This survey will be open from 2/15 - 3/1. This survey is instrumental in identifying strengths and areas for growth in our program.

2023-2024 Parent Survey

- I think it would be great if you're able to add a point in the email about please keeping students home if they are not feeling well or have had vomiting, diarrhea or fever in the past 24 hours. Some of the students we sent home on

Monday reported that they were sick over the weekend too.

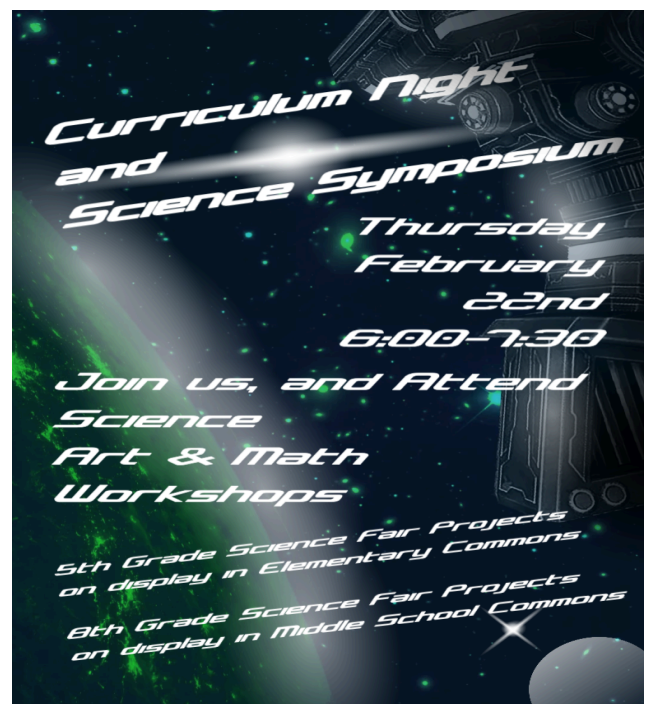

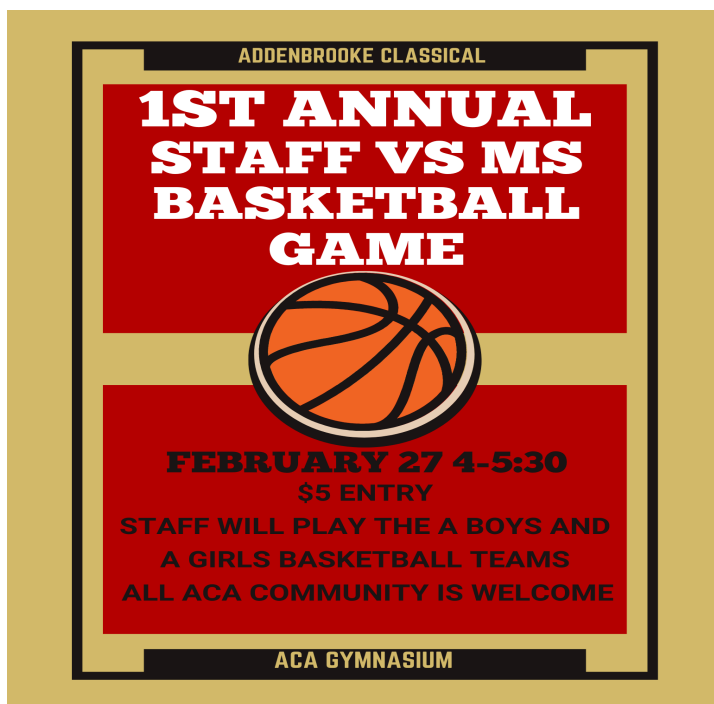

- I also want to remind you that we have tomorrow and Monday off, in celebration of Presidents Day.
- Next week, on February 22nd from 5:00 to 7:00, the Science Symposium will showcase the science fair projects and there will be activities based on the space.
- On February 15th, students in grades K-5 will participate in a CSU science lab. During PE kids will have a 30 minute presentation and simulation with a scientist.
- We are noticing several dress-code violations. Please review the Dress Code and remind students to dress in code. Our biggest violations are zip sweatshirts and hoodies. The only hood that can be worn at school is an Addenbrooke Hoodie and Zip sweatshirts (jackets) must be solid in color and remain unzipped all day.
- Today, the K-8 was put on a short medical hold, which means that they can't leave their classrooms until we are able to ensure the student is okay and that privacy of all is protected. The students did a great job and the student is okay.
- Starting next Friday the NJHS will be selling special drinks every week. More information about this will come next week.

- Announcing the winners for our Annual Handwriting Contest. Prizes and Pins will be awarded at our next assembly on March 1st.

Last Chance to Purchase a Yearbook.

The yearbook is almost complete. If you haven't paid for your yearbook this is the time (through the fees page in the parent portal). Very few extra books get ordered and you don't want to miss out on these special treasures.

GET READY FOR ACA MARCH READING SLAM DUNK CONTEST

1. In the month of February all students will work toward reading as many minutes as they can per night. Their total will be calculated at the end of the week. Each class (K-5) and Advisement will then have a total amount of minutes read by March 1st.
2. Classes will then face off in a **March Madness bracket** head to head. The total amount of minutes read in February will seed each bracket K-2, 3-5, and MS advisements.

3. In the March Madness bracket starting March 4th classes will face off head to head competing weekly. The class with the most minutes at the end of the week will then move onto the next round of playoffs.
4. The competition will end by March 30 with a 1st, 2nd, and 3rd place team per K-2, 3-5, and MS advisement **Teams who have the least minutes will go into a consolation bracket of their own.
5. At the April 5th assembly the winning teams will be awarded the opportunity to "dunk" an admin and or their teacher in a dunk tank.
