

THE MUSTANG POST

02/02/24

Afternoon Car Line:

Please help us be good neighbors. There was a report from a pedestrian in a wheelchair that the sidewalk entrances were being blocked and during an interaction with a parent driver, the pedestrian was given the middle finger.

We also received a phone call from Propp Realty from the building to our east, who reported a handful of cars who park there temporarily to let kids off or pick them up. Please do not do this as that is private property.
