

2/4/22

Dear Parents,

I trust everyone enjoyed their snow day! I worked on taxes.

Yesterday, we took approximately 60 students to Colorado Ballet's performance of Romeo and Juliet. A fun time was had by all.

Warren Tech is Jeffco's career and technical education center. If you have a current 10th or 11th grader who is interested in one of several technical programs offered, please visit the link below. Our Warren Tech students attend Addenbrooke half the day and Warren Tech the other half of the day. Their Round 1 application window closes Feb. 11th.

### **NHS Bake Sale**

National Honor Society students will be holding a bake sale on Friday 2/11 during all three lunches. The proceeds will be going toward the purchase of a portable basketball hoop for the high school parking lot.

### **Student Government Valentine's Day Fundraiser**

Available for purchase 2/7-2/11

- **“Crush” cans:** \$1 per can. For just \$3, you can find out who bought you the can. Don't want to be found out? Pay \$5 to block the recipient from finding out.
- **Singing Val-o-grams:** \$2 for a bag of candy and a song. Choose between “My Girl” or “Can't Help Falling in Love.”

### **Mask Mandate for schools slated to end Feb. 18**

Yesterday, Jefferson County Public Health (JCPH) Board of Directors made a motion to rescind Public Health Order 21-006, lifting mask mandates for all, including schools, on Friday, February 18. Jeffco Public Schools will no longer require masks starting Friday, February 18. Additionally, based on public health data and trends provided to the public, the district strongly supports an earlier rescinding of masks should JCPH decide to do so.

### **Message from Dr. Tronchin**

Dr. T is really looking forward to reading and seeing the research and creative projects on daily life in the Middle Ages! Students are creating a character who lived in a specific location in Europe, sometime between the years 1000-1400, and who observes a significant historical event. Through a biography, diary entries, and a visual aid, students will apply some creativity to their historical research. Dr. T permits historically-accurate medieval food as a visual aid!

**Yearbooks are for Sale!!** Please see the attachment (pg.3) for details.
