Dear Eighth Grade Families of Addenbrooke,

Believe it or not, your student is heading to high school in just a matter of months. What an exciting time!

The purpose of this evening is to give an overview of the many opportunities that are offered to our students at Addenbrooke High School. We will discuss the following:

- Classical education at the high school level
- Academics
- Athletics
- Fine Arts Programs
- Warren Tech
- Concurrent Enrollment (tuition-free college credit during high school)
- Ascent Program (tuition-free college credit after high school)

Please join us for a brief, informative evening concerning your eighth grader's high school educational experience and the community that exists at Addenbrooke High School.

Sincerely,

Ric Netzer
