## Teacher Spotlight:

### **Mrs. Carol Jones**

8th Grade Algebra

RRCC 1240 Math for Liberal Arts

RRCC 1340 College Algebra

Academic Support Team

Mrs. Jones was born in Virginia but moved several times: Minnesota, New York, California to Colorado. Her first Bachelor's Degree, Medical Technology, was earned at Adams State in Alamosa, CO. She married and moved to Trinidad where she worked at the local hospital and added two daughters to her family.

Mrs. Jones received a second Bachelor's Degree, Applied Science, at the University of Colorado, Colorado Springs, and got a job at Lockheed Martin. She met her second husband at Lockheed and they married in 1993. She has also worked at Ball and Space Flight Systems at Buckley.

About five years ago, after retiring from engineering, Mrs. Jones began to volunteer as a math tutor at Addenbrooke with middle school students. She continued tutoring remotely during Covid and last year joined us on the high school campus co-teaching Algebra I and II and Physics. She has had two grandsons attend Addenbrooke.

One of Mrs. Jones' passions is raising service dogs for Guide Dogs for the Blind. She has the puppy for the first 16 months, socializing them, teaching basic commands, and helping them become "good boys" before they move on to their formal training. In her spare time, she enjoys creating art, specifically acrylic painting and drawing pencil sketches.

### **New Drivers - Second Semester**

Traditionally, there are quite a few new drivers after Christmas break. There is no assigned parking in the east lot. Second semester usually brings more drivers than spots, so parking is on a first-come, first-served basis. As a reminder, **DO NOT PARK** in the lot of the building east of us. Anyone who parks there will be towed! There is on-street parking on southbound Teller from Jefferson to the street light directly in front of our entrance. If your student parks on the street, and they are the first one, ask them to park all the way up to the light. If that is done, we can fit six extra cars on the street.

Each guest will need to fill out the Dance Guest Agreement (pick up a hard copy in the front office). The form needs to be filled out in its entirety, including signatures by student (guest), parent, and principal of their current school. The form is due the Monday before the dance. Guests from other schools **MUST** present their student ID or show their Infinite Campus account upon arrival at the event. **There are NO exceptions for this.**

### **Alcohol/Drug Use**

If your student is found to be under the influence or in possession of any illegal substance we will call a parent or guardian to pick them up. They will sit in a separate room at the dance until we release them into your care. Punishment for the infraction will be determined on a case-by-case basis by those in authority.

### **Leaving the Dance**

Once a student arrives at the dance and enters the gate, they are not permitted to leave the gate and come back in. If they do choose to exit, it will be up to them to arrange pick-up.

Addenbrooke will provide supervision at the event; however, dances are voluntary events and staff cannot force anyone to stay on campus should they decide to leave.
