JANUARY 16, 2025

ADDENBROOKE
CLASSICAL K/8

A NOTE FROM THE PRINCIPAL

Last Friday, our Kindergarten class celebrated the conclusion of their geography unit by taking a journey around the world aboard the Addenbrooke Airplane, engaging in various activities in the classroom. A heartfelt thank you to the parents who volunteered their time to support this event. It has become a favorite day for the kindergarten teachers, and it's a memory the children are sure to cherish. Looking ahead, our fifth graders will visit the Stock Show next week, while the first graders will attend a play at the Arvada Center. The enriching experiences we strive to provide our students contribute to what makes our school special, and we couldn't achieve this without your support.

The cold weather has significantly impacted activities before school and during lunch/recess. Please ensure your students dress warmly next week; while we will move indoors if temperatures drop below 20 degrees, forecasts predict it will be quite chilly. We also recommend that students have a school-approved sweatshirt or sweater on hand, as we prefer they don't wear outdoor jackets inside, and some classrooms may be a bit cool.

We warmly invite you to attend our Curriculum Symposium and the 5th/8th Science Fair on January 29th. The students' projects are truly impressive, and they have put in a lot of effort to create them.
