

THE MUSTANG POST

January 6, 2023

Dear Families,

Welcome back! I trust everyone had a wonderful holiday season with friends and family. I have been asking the students about their favorite gifts, and you guys give some good stuff!

We are already back at work. The teachers have been instructed that these three cold winter months are primo teaching time. Once we hit spring break, everyone gets a little squirrely to be done, and with testing and activities, classroom time is harder to come by, so everyone needs to buckle down and cover as much material as possible for the next three months.

We have had one change over the break. Mr. Seebeck has moved to part-time and will only be teaching his Statistics class and his Algebra II class. We have hired a new history teacher. Mr. Matthew Leonard served four years in the US Army prior to college and is a 2020 graduate of CCU with a Bachelor's degree in History and Secondary Education. He has been subbing for Jeffco since graduation and is excited to have a permanent position. He is teaching two sections of Economics, two sections of US History and one section of Medieval History.

Respectfully,
Mrs. Lamgo

Teacher Spotlight:

Mrs. Christina Rienhoff

Instructional Coach
Academic Support Team

Mrs. Rienhoff has been part of the Addenbrooke family since last spring. She was born in Midland, Michigan; she earned her Bachelor's degree in English from Michigan State and her first Master's degree in Teaching from Johns Hopkins University. While in graduate school, she met and married Charles Rienhoff, our assistant principal. They have a fifteen year old son.

The Rienhoff family lived in Sarasota, Florida, for ten years before moving to Baltimore, Maryland, where they lived for four years. The family has property in Granby, so they had been visiting Colorado for years before making a permanent move in 2020.

Mrs. Rienhoff is near completion of her second Master's degree in Instruction and Curriculum at George Mason University. Her hobbies include hiking (she loves Rocky Mountain National Park) and reading. Her favorite book is Gulliver's Travels by Jonathon Swift. She enjoys the book because of its ability to explore humanity through several different lenses.

REMINDER

If you haven't done so already, please register your current student/s by letting us know if you intend to return or enroll new students. This [EnrollJeffco](#) link will provide all the information you need to enroll or register your student/s for the 23/24 school year.

Current families can also update their contact information in the Infinite Campus portal. If assistance is needed with usernames or passwords, please utilize the [Personal Account Manager](#).

New Drivers - Second Semester

Traditionally, there are quite a few new drivers after Christmas break. There is no assigned parking in the east lot. Second semester usually brings more drivers than spots, so parking is on a first-come, first-served basis. As a reminder, **DO NOT PARK** in the lot of the building east of us. Anyone who parks there will be towed! There is on-street parking on southbound Teller from Jefferson to the street light directly in front of our entrance. If your student parks on the street, and they are the first one, ask them to park all the way up to the light. If that is done, we can fit six extra cars on the street.

The form needs to be filled out in its entirety, including signatures by student (guest), parent, and principal of their current school. The form is due the Monday before the dance. Guests from other schools **MUST** present their student ID or show their Infinite Campus account upon arrival at the event. **There are NO exceptions for this.**

They will sit in a separate room at the dance until we release them into your care. Punishment for the infraction will be determined on a case-by-case basis by those in authority.

Leaving the Dance

Once a student arrives at the dance and enters the gate, they are not permitted to leave the gate and come back in. If they do choose to exit, it will be up to them to arrange pick-up.

Addenbrooke will provide supervision at the event; however, dances are voluntary events and staff cannot force anyone to stay on campus should they decide to leave.
