**From Tyler Vessey
Kindergarten & Middle School PE Teacher**

As part of our ongoing efforts to expand our athletic opportunities at ACA, we're looking to start a golf program for our middle and high school students. We have teachers who have expressed interest in coaching players and have some connections at Pinehurst Country Club as a place to practice.

As a new sport at ACA, we won't be able to join CHSAA immediately, but we can participate in Gold Crown Junior Golf tournaments in the fall and spring until we can get approval from CHSAA.

Information about the Gold Crown tournaments is attached. Both boys and girls golf tournaments are offered in the fall and spring so we aren't limited to the CHSAA calendar (girls in spring, boys in fall).

Before moving forward with registration through Gold Crown, we'd like to gauge interest from families and students to see how many are interested in participating in a golf program at ACA. No prior experience is necessary to join. We're looking for students who are curious about the sport, want to grow their game, want to have fun, and want to learn all the life lessons golf teaches us.

Our goal is to have enough interested players to start a team in the fall, but anyone interested in playing can sign up as an individual this spring for the Gold Crown tournaments. They also offer summer tournaments for middle and high school players.

Anyone interested in participating can contact Mr. Vessey at tvessey@addenbrooke.org.
