## From The Health Office

Our immunization compliance deadline is coming up on **December 11th**. If you've received an email from the school nurse indicating that your student is currently non-compliant with their immunization status, haven't yet submitted a **non-medical exemption form** for the 2025–2026 school year, and/or are unsure of your student's current records, please turn in the needed paperwork at your earliest convenience.

Forms can be submitted directly to the **school nurse** or the **front desk**. If you have any questions or would like to submit your paperwork digitally, feel free to reach out to our school nurse, Audrey Brown at [abrown@addenbrooke.org](mailto:abrown@addenbrooke.org).

Thank you for your help in keeping our students and school community healthy!
