

## **October 16, 2021 High School Parent Letter**

Happy Saturday.

Sorry, I'm running a day late and a dollar short. On Tuesday, the athletic department hosted a wonderful teacher appreciation night. There was a food truck and the soccer and volleyball teams played their hearts out. The faculty had a wonderful time and appreciated the thoughtfulness of our athletic teams.

Nineteen of our high school students went up to outdoor lab at Windy Peaks on Tuesday with the sixth grade students. They each earned 78 hours of community service by performing normal camp counselor duties and preparing and teaching lessons in geology, ecology, site history and archery.

This Monday night, October 18, everyone is invited to attend the Choral Showcase. The function of this abbreviated performance is to prepare our advanced choir and its members for the upcoming All-State Choir Auditions and MSU Choir Festival. The advanced orchestra will also be performing. It is being held at Lakewood Vineyard, 6800 W Hampden Ave. just up the street and around the corner.

Enjoy the remainder of your weekend.

Respectfully,

Mrs. Lamgo

### **Information Night**

If you believe in what we do for students, please share your love for classical education with your neighbors, friends and other family members. Invite them to one of our October or November enrollment meetings for our 2022-23 school year. Steady growth is essential as we continue to provide the needed services for all of our students. Informational meetings for the 2022-23 enrollment season will be held on **Thursday, October 28** or **Tuesday, November 16** at 6:30 p.m. Please help us spread the word that Addenbrooke is something quite special so that families you care about can become a part of our Classical Education movement. Your invited guests will see and experience our community for themselves.
