**Addenbrooke High School Parent Newsletter**

Dear Parents,

Monday night, our first live fine arts performance since Covid was wonderful. Thank you to our Chamber Orchestra and Mustang Choral as well as our All-State Choir Audition soloists. We look forward to our Christmas concert, Thursday, December 9. We will have both our high school choirs and orchestras performing that evening.

The fall athletic season is coming to an end. Our girls' volleyball team is in a three-way tie for first place and has a tournament this Saturday. The boys' soccer team has finished their season, and sophomore Alyssa Trujillo qualified to represent Addenbrooke at the state cross country meet October 30.

As we move into the cold and flu season, if your student is ill, please keep them home until they have recovered.

Traditionally, the hardest month of the school year is October and we are almost through. In case you need to contact teachers, an email list is posted at the bottom of the newsletter.

Respectfully,  
Mrs. Lamgo

### **Information Night**

If you believe in what we do for students, please share your love for classical education with your neighbors, friends and other family members. Invite them to one of our October or November enrollment meetings for our 2022-23 school year. Steady growth is essential as we continue to provide the needed services for all of our students. Informational meetings for the 2022-23 enrollment season will be held on **Thursday, October 28**, or **Tuesday, November 16**, at 6:30 p.m. Please help us spread the word that Addenbrooke is something quite special so that families you care about can become a part of our Classical Education movement. Your invited guests will see and experience our community for themselves.
