

# THE MUSTANG POST

10/25/24

Dear Addenbrooke Classical Family,

We are halfway through the fall semester of 2024. That statement causes me to pause and reflect on how we started the year with all the energy, optimism, and excitement that often accompany new beginnings. I'm also looking forward to the holidays on the horizon.

It's not the act of starting that is impressive; it's the ability to sustain our efforts and finish well. This requires enduring the grind, developing grit, and maintaining the self-discipline needed to succeed. We have a great opportunity to build our own character while helping our students build theirs over the next nine weeks. We are in this together!
