Principal's Note

So much is going on in the building, from MS PE Kickball to Kindergarten learning the proper letter formation of the letter d and fourth grade revising their personal narratives and ensuring they have added transitions this week was a learning exemplar. I got to see the sixth graders create visual vocabulary presentations and simplify fractions (Mrs. Graige's SOS strategy) and the 7th graders practiced adding positive and negative integers and refreshed their skills of identifying the 50 states and their capitals.

The Skate City night on the 20th was quite a success with 280 skaters and Moms' Math Club was well attended and filled the commons with 48 moms. WOW! Addenbrooke Community you are rocking the house and we are back in full force.

This is a quick reminder that there will be no school tomorrow for students. The end of month next week will close with a special middle school reward hour for all students who have all their grades at C's and above, and no missing assignments. Elementary teachers will be having their conferences between October 3-12 and Middle School conferences will be The 18th and 19th of October in the evening.

Veterans' Day Display:

Veterans Day will be here soon! If you are new to Addenbrooke or if you didn't get a chance to submit a photo of your veteran to Miss Horn last year, please email a photo and a brief description of your veteran to Miss Horn by November 4th (ehorn@addenbrooke.org). These will be laminated and hung in the middle school commons on Veterans Day and left up for a few weeks to honor our loved ones who served. Thank you!

Safety and Security:

We are still looking for help at the crosswalk and have started a new group called Dads' PACK. Dad's PACK (Present, Active, Consistent and Kind) will help us work on providing opportunities for Dads to connect with our community and the first call to action for this group will be helping in the crosswalk areas in both morning (7:15 - 8:00) and afternoon (3:00 - 3:45).

Fall Art Fundraiser

This fall, Mrs. Smith and Ms. Horn are holding an art fundraiser through the company Art to Remember. Your child is working on a piece of art in class that will be shipped to the company and scanned. This digital scan can be printed on almost anything you can think of!

We are excited to try out this new company because the products will be delivered to you by Winter Break just in time for holiday gifts! Click below to check it out.

Material Needs

Are you tired of stepping on legos?? If you have any legos to spare, Ms. Horn would LOVE them in the art room as they are a fan favorite for her early finishers.

We are also in need of size 8 knitting needles for 5th grade handwork. If you have any to spare, we will take them!

A New Face in the Art Room

You may have heard your student mention a funny new art teacher this year. We have been so blessed to have a student teacher this semester. Miss Leyva will be with us until December, and we are soaking in every minute of having two art teachers!

A New Art Room

Along with a new student teacher, we also have a new art room at Addenbrooke! We are located in the old storage room next to the health room. Pop your head in and say hi.
