

# PONY EXPRESSES

SEPTEMBER 26, 2024

ADDENBROOKE  
CLASSICAL K/8

## A NOTE FROM THE PRINCIPAL

There is so much going on, please review the calendar and ensure you read this newsletter and other documents attached in this email.

We are so glad the Fall season has hit and we can tell by all the learning that is happening on campus and the fun activities that are going on.

If you were invited to the Movie Night as part of the Mustang Mini Marathon we can't wait to see you tonight.

Next Friday (Oct. 4th) will be our first assembly of the year. These are always a pretty big hit. We will be giving out Student of the Month awards to students that have shown the Habit of Responsibility. We will also have first and fourth grade recitations. We are asking parents who attend this meeting to bring a bag of Halloween candy.

### Math PROGRAM

#### About Zearn

Zearn Math is a nonprofit learning platform your child will use to complete online math lessons.

In each lesson, your child will:

- Explore the important math ideas of their grade with an on-screen Zearn teacher.
- Make sense of math with pictures and interactive models.
- Solve math problems in lots of different activities, all with built-in math help.

If you would like to participate in this program we ask that your child complete 3 lessons per week. If you opt into this program and your child completes 3 lessons a week they will earn a Zearn Star. At checkpoints the stars will add up to prizes your child will earn.

## KEYBOARDING

Dear Parents,

For the next 6 weeks in 2nd through 5th grade we will be learning and practicing our keyboard skills.

In 3-5th grades will be using Typing Club.

Each student should be able to get a minimum of 15 minutes of practice each week in class. Students can access their accounts in class and at home.

If students do not complete their practice time during Library/Technology they will need to make it up at home or in their classroom.

Students can see how long they have practiced by logging in to their typing club accounts.

A link to the site is found [here](#).

Students signing in through their Addenbrooke Google accounts should have their passwords to sign in saved in that account.

I will give typing grades based on practice time.

After 6 weeks they should have at least 1 1/2 hours of practice at 15 minutes a week.

This will be the grading scale for typing.

80-90+ minutes A  
70 - 80 minutes B  
60 - 70 minutes C  
50 - 60 minutes D  
Under 50 minutes F

If your student is practicing at home, please make sure they practice using correct fingering. Grades for typing will be given the week after Halloween.

Thank you for helping your students stay on track!
