The background of the entire page is a dense collection of various Halloween-themed candies. These include traditional orange and yellow candy corns, white ghost-shaped candies with black eyes and mouths, orange pumpkin-shaped candies, and several black licorice candies. The candies are scattered across the white background, creating a festive and spooky atmosphere.

Advisement Candy Drive!

****Sponsored by Student Government****

This is an annual event in the fall for our school. This candy is to benefit the trick or treat street that happens at the k-8.

Each advisements goal is to gather as much candy (individually wrapped only) as they can over the next two weeks, please turn it in to your advisement teacher.

****ALL CANDY DUE BY --- Wednesday October 11th****

(Teachers make sure you label your candy with your name for assured point purposes, masking tape works best!)

Advisements will receive **10 points** for each pound of candy brought in.

The advisement with the highest pounds gathered at the end of 2 weeks gets to have a **breakfast party in advisement (Sponsored by Student Government)**
