1. New members were voted in. The officers (Chairperson and vice chairperson) are to remain the same as last year. Gregory and Marjorie will share the secretary position.
2. Cindy and Julie presented UIP's.
3. Cindy: Stated that there were many declining scores due to effects of the pandemic, especially in math. High school math was affected by both the pandemic and a struggling new teacher. They tried to counter the effects of this by hiring a math specialist and tutor. Believes that this year's goals can be met with a normalized teaching environment.
