● Last Friday’s assembly was quite amazing and they will even get better each month. One of our MS choirs performed, our Pep Squad was introduced and we had a MS competition. Sadly, the 8th grade students beat our newest staff members this time. Next month we will have our grade level recitations begin.

● Dress out of Uniform for $1 is on Friday. These monies go toward the purchase of prizes and other activities for the student body. I am hopeful that we can raise enough to get two GaGa Ball pits, one for our Elementary and one for the Middle School.

● Thank you to all the dads who joined us at the book club yesterday. Dad’s Book Club has become one of the many community activities that always make my weeks better.

● Final call on class and order shirts, we will not accept any orders after 9/11. These shirts are perfect for Fridays and field trips! (For those of you who are sentimental - I would have the shirts every year and make a quilt from all of them as a momento.

● Tonight there will be a Classical Lecture for parents at the high school building. Mrs. Lamgo will present about the Truth, Beauty and Goodness that is Classical Education. The event will include dessert and starts at 6:00.

● Next Monday, 9/11 our biggest fundraiser of the year, the Mustang Mini Marathon will take place. All K-8 students will run for approximately 45 minutes following their PE schedule. The PACS sent home information about it earlier this week.

Help Your Child Succeed in School: Build the Habit of Good Attendance Early

**DID YOU KNOW?**

- Starting in preschool and kindergarten, too many absences can cause children to fall behind in school.
- Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
- Students can still fall behind if they miss just one or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences and tardiness can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Eventually good attendance will be a skill that will help them succeed in high school and college.

**WHAT YOU CAN DO**

- Set a regular bedtime and morning routine.
- Lay out clothes and pack backpacks the night before.
- Find out what day school starts and make sure your child has the required shots.
- Introduce your children to their teachers and classmates before school starts.
- Develop backup plans for getting to school if something comes up. Call on a family member, a neighbor, or another parent.
- Avoid medical appointments and extended trips when school is in session.
- Keep in mind that complaints of a stomach ache or headache can be a sign of anxiety and not a reason to stay home. If your child seems anxious about going to school, talk to teachers, school counselors and other parents for advice on how to make your child feel comfortable and excited about learning.
- If your child must stay home due to illness, ask the teacher for resources and ideas to continue learning at home.
